

Packaging Information:

- Normally we shipped over 10,000 bottles and Assembled dropper caps by ocean to the customers. Assembled dropper caps are placed on trays and the trays in the cartons. Bottles are separately packed in the cartons. And all the cartons are packed on the pallets.

- We sell the empty bottles since 2004
- All the products are made in Taiwan.
- We provide extra bottles, caps, and brushes as spares for replacement in each shipment, in case any bottles are damaged during the transportation.
