

SEGL (NMC) Lithium-ion Battery

High Voltage design with High Output Current capability,
enhance engine performance, torque appeared in low revolution,
linier, smoother and faster!

SS-7B

Spec : 12V, 7Ah, 120CCA

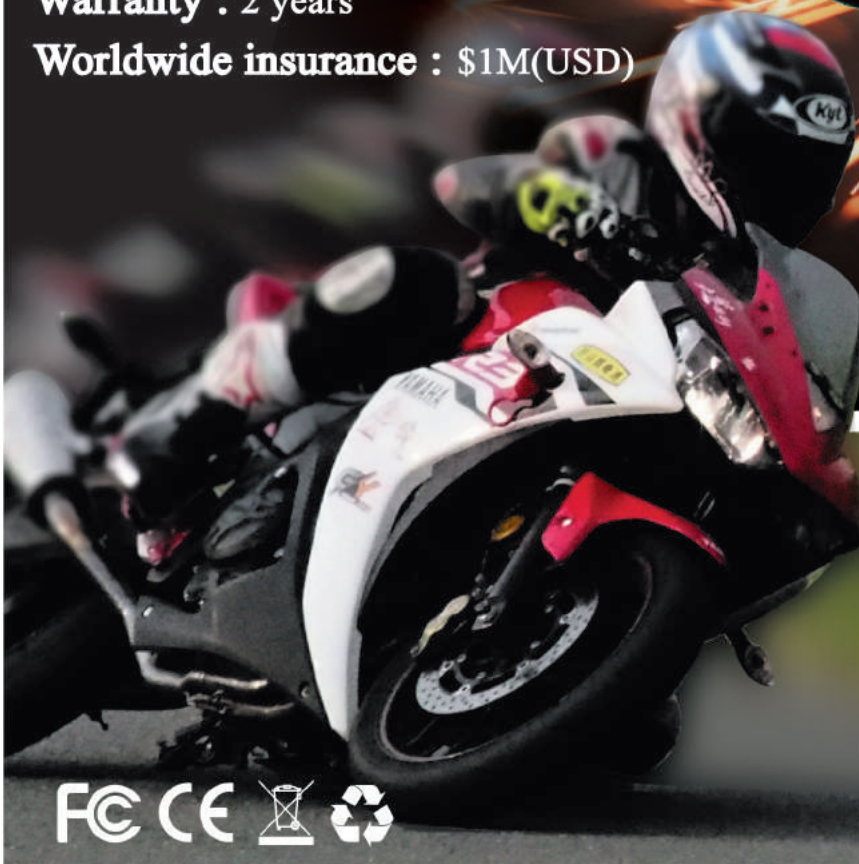

Design for engine under 150cc
(tuned engine not guarantee)

Dimension : 148*69*94(mm)

Weight : 800g

Warranty : 2 years

Worldwide insurance : \$1M(USD)
